Percentage - 76.45	
HSC	
Government higher sec sch, Anakaputhur, Chennai-70	2019-2021
Percentage - 79.89	

### UX/UI Project

#### Health blend

**Description:** Designed a user-friendly health tracking app with features like daily logs, health tips, and reminders.

#### Homies

**Description:** Created an intuitive interface for an app that allows users to order home appliances. Focused on simplifying the user journey from product selection to checkout.
